Help Save
Florida's Sea
Turtles

Sea Turtles nest on Florida beaches each year between March 1st-October 31st.

Help save our Turtles.

- *Please do not touch or disturb nesting sea turtles, hatchlings, or their nest.
- * Please do not use flashlights, lanterns or flash photography while on the beach at nights.
- *Please turn off or shield lights, close drapes/blinds to prevent lights from shining onto the beach. Lights disturb nesting turtles and hatchlings.
- * Avoid disturbing marked nest and please dispose your trash in garbage bins.
- * Please make sure to remove all items, such as beach chairs, from the beach at night .

Vehicle Decals

Having a decal on the vehicle is the only way we will be able to identify that the vehicle belongs to a beach club member.

Please remember to place the static cling decal on the inside lower passenger side of your windshield.

In the event you sell your vehicle the decal can be easily removed and transferred to your new vehicle. You can also contact the membership office and a replacement will be mailed to you.
