Escape with The Resort Shop

For the month of October, the Resort Shop is featuring the popular brand Escapada, which appropriately means “escape” in Spanish. The easy breezy feeling of vacation never goes out of style, and Escapada’s happy prints and iconic silhouettes celebrate that concept. Cut to fit women of all ages, their resort wear is characterized by a unique combination of colorful confidence and classic charm all in a super-soft, machine washable fabric.

All ladies Escapada will be 20% off during the month of October! Escape and save while adding a little sunshine to your closet!

The Resort Shop is also featuring men’s Lago Mar polo shirts for \$40, originally \$54. These performance shirts are made with a cool and dry fabric available in navy and light blue. Each shirt has a sophisticated Lago Mar crest on the left sleeve. These shirts are great for golf or any hot Florida day! They also make a great gift for your special someone!

The Soda Shop staff would like to extend a warm welcome back to all our club members who have been away for the summer.
